What's Inside

1. Keeping an open door policy **Mrs. Naida Groff** greets one of her students. 2. Students clap to the music of the Navy band during lunch. 3. Taking advantage of the November sun, **Jeri Martin** and **Clara Mayfield** work on their English outside. 4. **Cindy Goode** gasps for a breath of air as she nears the end of her race. 5. **Rick Garcia** meditates in an empty quad. 6. **Carl Bruce** and **Jim Bilz** help goalie **Bob Hagan** defend Crawford's goal in the C.I.F. finals against Vista.

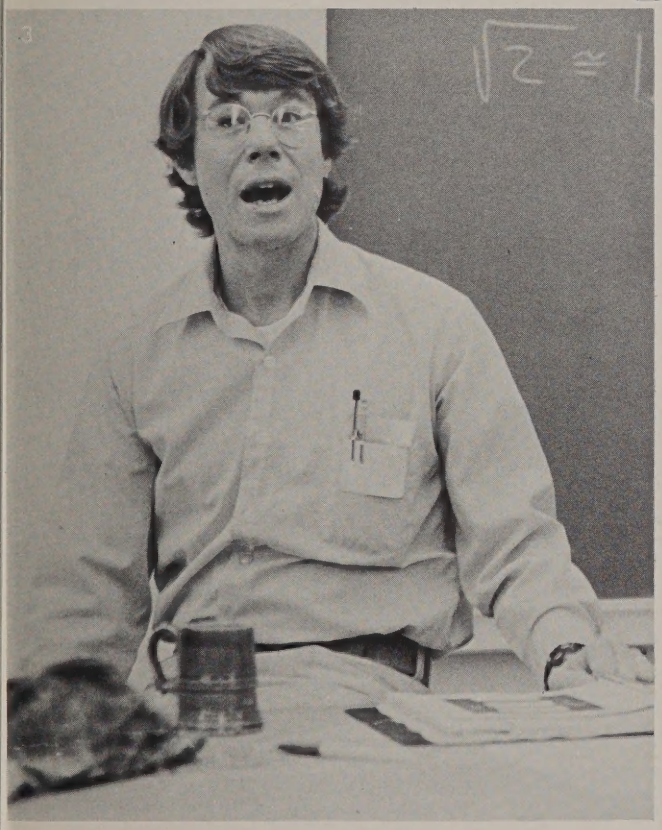
Changes Occurred

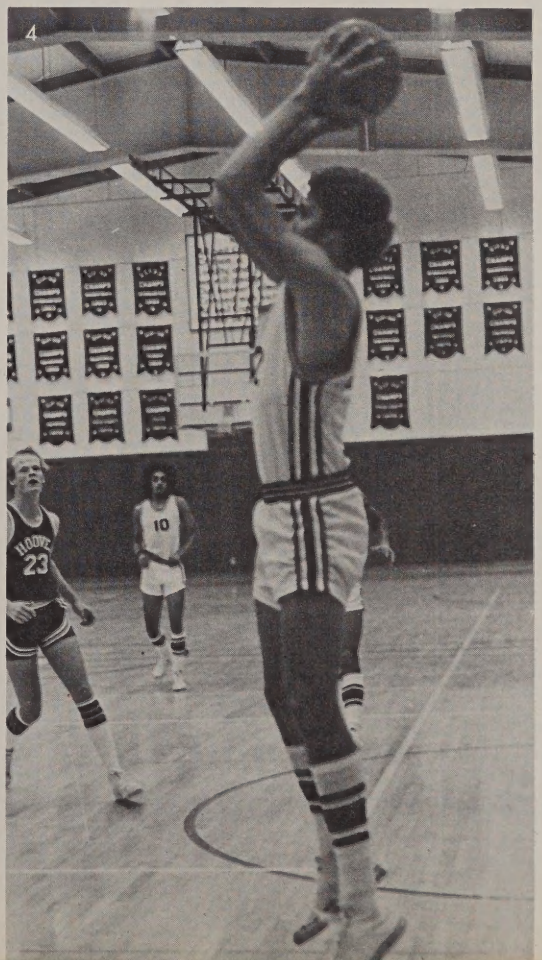
The drab brown walls of the school remained the same, but inside those walls, many changes took place. New teachers greeted students on the first day of school and the sophomores got their first look at high school life. Our school's population also decreased by some 300 students as the Junipero Serra Junior-Senior High School was just completed.

Although the student population dropped to approximately 1,800, sports wise we were still considered a large school. In an effort to balance the competition of the city schools, the City Conference was divided into the Eastern League, which included Crawford, and the Western League, which consisted of the schools with a smaller enrollment.

In basketball, a nation wide rule change went into effect. The dunk is back. Once a technical foul, the dunk, though rarely seen, was a crowd pleaser and brought more excitement to the game.

in School, Sports...





But Biggest Change

1. The duck and cover disaster drill came as a surprise to the sophomores in the I.S. class. 2. I.S. students combine study with relaxation as they sit outside on a sunny day. 3. **Kim Krumm** listens attentively to a friend during lunch. 4. **Kenny Vasquez** proves that even football players need security. 5. Computer Helped Run Student

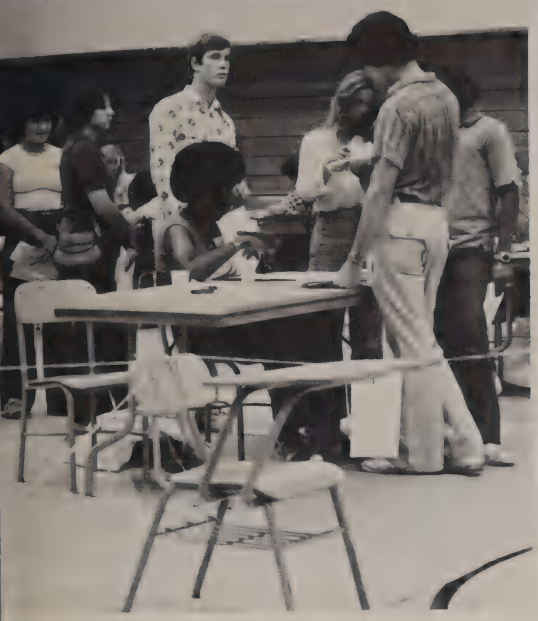
Registration ran smoothly this September with the help of a computer. The procedure was much the same as in the past years with the exception of the computer cards. Each student wishing to take a certain class was issued a card for that class. At the end of the registration procedure each student had to have six cards. These were run through the computer and the final program was picked up on September 13, the first day of school. Despite the use of the computer, there were the usual hassles and headaches and many students felt the cards were just a lot of extra paperwork.



Registration

1. Juniors patiently wait in line during the last leg of registration. 2. **Mr. MacAnear** takes time out from registration. 3. A lone sophomore works out last minute changes. 4. **Ilene Bettan** helps out at one of the many stations where students picked up class cards. 5. "A New Beginning" was the appropriate theme of this year's homecoming as **Eddie Castro** was crowned the first Homecoming King in Crawford's nineteen year history. Besides being a member of the varsity football and wrestling teams, **Eddie** also played baseball and was on the Principal's Honor Roll for the past three years. Presiding as Queen was **Lynda Bunuan. Lynda** was a JV cheerleader in her sophomore year and also qualified for the Principal's Honor Roll. Rain, Chieftans, Surprised Colts,

Didn't Dampen Homecoming Spirit

This year's theme, "A New Beginning" was thought of by Cynthia Webster. Homecoming Week started off with the Donut Dunkem, where the Homecoming Court was announced. At the rally on Friday, the princes, princesses, dukes and duchesses were presented with their escorts to the student body. With the help of the pep squad and alumni, the students were put into high spirits. Though the Colts lost to the Clairmont Chieftains, 14-20, that night at the sold out dance, students enjoyed the sounds of "New Joy".

1. **Marck Wright** gains yardage in the 2nd quarter. 2. Cheerleaders pile onto the truck during the pre-game parade. 3. **Coach Jim Romig** gives the defensive squad last minute play instructions. 4. The Homecoming Court from left to right: **Candy Greer, Karen Britt, Janis Sheinberg, Lynda Bunuan, Brian Wilbur, Mike Martinez, Eddie Castro** and **Brandy Anderson.** 5. Homecoming Queen **Lynda Bunuan** displays her happiness after being crowned.

Homecoming

1

Homecoming 1976 was a memorable time. There was the addition of young men to the court, the rain that surprised the student body, and the Clairemont Chieftains that caught the Colts' football team offguard, 14-20. Homecoming was dancing to New Joy, watching the Homecoming Court freeze during a windy halftime and watching the songleaders "take it off" in their strip-tease routine. Homecoming was alumni, reunions with old friends, laughter, and tears.

Proved to be More Enthusiastic

New spirit towards basketball created better-than-ever attendance and enthusiasm galore. Fan appreciation gave the Colts the drive to go right, win! During halftime the cheerleaders filled the crowd with spirit while spectators took the opportunity to get a Coke or something to eat. The refreshments were a helpful addition, thanks to the ASB. Another time when the cheerleaders entertained the crowd was during the many basketball rallies during the season. The games were attended by sophomores, juniors, seniors and faculty alike and were enjoyed by all.

Lori Benton, Ellen Oneal -

Lori Benton is fifteen years old. For 8 years of that time she has been on the ice. Being a champion figure skater requires a tough routine. Lori wakes up at 3:30 a.m. to drive out to the Mira Mesa House of Ice where she practices for hours, then attends school where she is a sophomore. For the last two seasons she has been the city's lone representative in the National Figure Skating Championships, and last year she became the first San Diego Figure Skating Club representative ever to win a National medal in the club's 37 year history. Lori's favorite and best event is freestyle where she is judged on technical merit and composition.

ASB Cabinet Didn't Horse Around

The 1976-77 year was one of hard work and many rewards for the ASB Cabinet. Pleasing all students in such activities as Homecoming, rallies, assemblies, and the ASB Ball, kept the cabinet working many hours outside of their fourth period class. Stage Crew Created a Scene

The Stage Crew played an important role in the Drama productions at Crawford. Included in their responsibilities was the lighting, props and all-over back stage work. A lot of time was spent building and painting the scenery needed by the Drama Department. Their perseverance was greatly appreciated by all.

1. CCTV, sponsored by **Mr. Richard Smith,** video records requested programs for teachers and also tapes activities around the campus. 2. Setting up the stage props for the drama department, doing the lighting and the scenery is only part of the job of the stage crew. 3. The Colts started the season with high hopes of being competitive in the best league in the county. After rolling over their first two opponents in non-league play, holding both teams scoreless, it looked as though they would be tough. However, although the team was strong and well-balanced, the new league divisions left Crawford without a let-up. After winning three of the first four games of the season the Colts lost an emotionally tough game in which they played extremely well. Here the yo-yo began. The next week they lost to Clairemont, a team who was 0-5, in the Homecoming game, but followed with their best game of the season by defeating No. 1 ranked Morse. CHS ranked 9th in the county in rushing offense, averaging over 180 yards per game; the defense allowed an average of 15 points per game. Crawford players, linebacker Eddie Castro, center Venerino Griva, and running back Marck Wright made the All Eastern League team while three others, Napolean Delane, Byron Reed, and Manny Broundo were placed on the second team.

Cheryl Boyd, Teri Yeakle, Tricia Greenwood, and **Gayle Erickson** were the team's additions to a super season. **Cheryl Boyd,** chosen as "numero uno" by her team mates, placed sixth swimming the 100 yard freestyle in CIF and **Teri Yeakle** tied for first in the consolation heat of the CIF finals.

The team's spirit wasn't completely serious one hundred percent of the time, there were nonsensical celebrations held throughout the year as demonstrated by whip cream pies, graffettied cars, and group pool dunkings! But underlying the fun and games was a team filled with enthusiasm, dedication and hard work.

Work-outs were strenuous periods of activity, 3,000 yards long filled with tired muscles and heavy breathing. All in all, the meets, work-outs, and the perserverence of the coach, produced a winning team.

CIF Eluded Cross Country, Placed 2nd

New this year to the cross country team was the lengthening of the race from two to three miles. This change did not seem to effect the team as their 7-0 dual meet record shows. Even after losing two of their top men, Richard Rose and Chris Rowley, they won both the Point Loma Invitational and the South Bay Invitational. They also brought home seventh place at Mt. Sac. Though the team was deep in talent and the number one man, Tim Varley placed fifth, the team could not attain the CIF title.

The tennis team, lead by #1 singles player Lisa Shapiro had great potential for a winning team. Unfortunately, the potenial was not strong enough for the other league teams, Henry, Clairemont and Pt. For the third year in a row the volleyball team has been a strong point among the sports teams at the school. With a fantastic 10-4 record this year, the team was able to tie with Madison for second in the league. But because Madison had beaten them twice, they were unable to go on to the city League finals. Win Against Henry

The soccer teams win against Henry was a first in soccer history at this school. It was also the high point of the teams season. Up against schools where soccer is a more important sport, the team did not have enough background, as a whole, to make it. Though they tried and kept up their spirits amazingly well, the competition proved to be too tough. Hopefully interest will continue to be strong and we will continue to have a good turn out for the soccer team.

Didn't "Advance" Too Far but "Bullied" to 4th Place

Field hockey started the season very strong and showed a lot of promise in non-league games. Unfortunately in league games they did not show much improvement, while the other teams were decidedly stronger than they had been. Much of the Varsity team consisted of seniors. The remaining members of both teams are excellent players and if they make up next years team, with the help of some new faces, field hockey should be one of the strongest sports next year.

Colts Shot For 1st, But

Coach James Sams and the Colts varsity squad were highly optimistic at the beginning of the season and after winning four of their first five games it looked as though they might bring home a championship. However the team slipped into a rut and finished the season with just six victories in fourteen games.

When the motivation was there the defense was tough and team play was outstanding. Many games were lost because of the inability to convert at the free-throw line.

Despite the losses the Colts played exciting ball. They beat Morse by one in overtime and lost to Patrick Henry in the final seconds of the game. Most of the squad will graduate this spring with Michael Brown and Carl Smith as probable choices for all-league teams.

Land With a Splash

The Colts junior varsity basketball squad had a decent season this year and it has left Coach Sams with good thoughts for next year. A major point of the returning members is that they are taller than this year's varsity squad was, and they hope to muscle in for more rebounds and more points.

The diving team started the season from scratch, with the only returning member being letterman Mike Markson. Pool problems at the beginning of the practice sessions left a question mark as to whether or not there would be diving this year. However, Coach Draz straightened everything out and the Colts hope for a spectacular season.

Softball season fell short of wins due to team misfortunes such as the illness of left fielder Becky Coggins and the mid-term graduation of Debbie Nunes. The team's stand outs and home-run hitters were Esther Estenoz, Jewel Lovelady and Marilyn Meyers.

The team's assets included each players adaptability to play different positions and to the great coaching skills of Ms. Lozier.

Swimming Dove into

Swim team jumped into the season with 4 wins and 1 loss to Henry. The relay team started strong as well as the individual strokers. Carl Bruce started out by adding his name to the list of five top Crawford swimmers, breaking under 50 seconds in the 50 yard freestyle. With their confidence growing the team is well on it's way to a record breaking season.

Baseball Ranked 2nd At

With seven returning members from last year's team, including Brent Wittmayer and Curtis Burkhead, baseball has great potential for a CIF championship. Rated second in the preseason, they have won three of their four games thus far. If outstanding effort from all the team members continues, baseball's future is extremely bright.

Swung into Action

Individually the gymnastics team had an outstanding season. Captain of the team, Tina Gerstler, began with a high score of 7.4 on the floor exercises against Madison in one of the first meets of the year. Unfortunately, the varsity team, collectively, had a slow start.

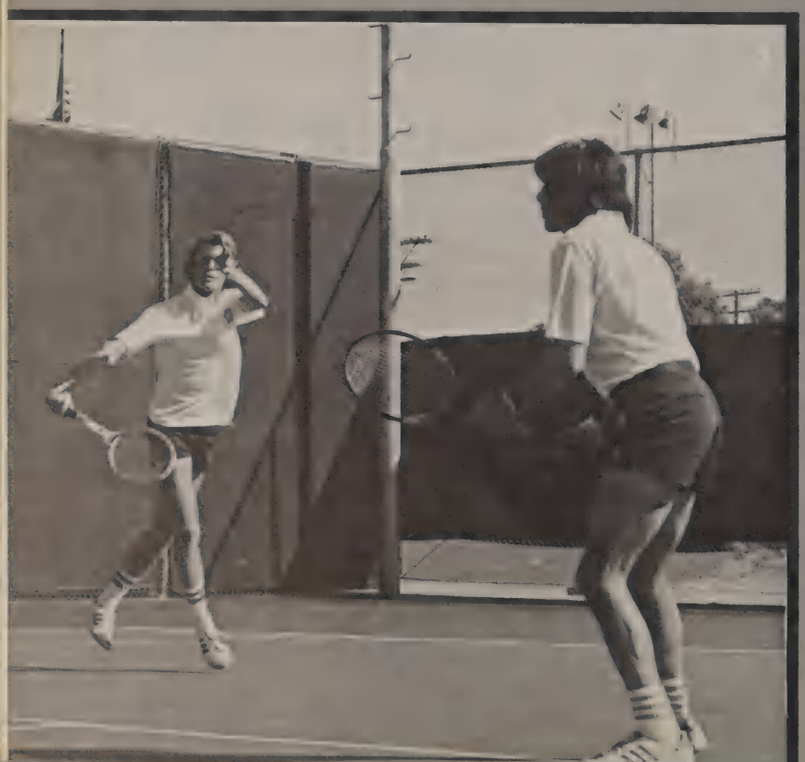
Junior varsity performed brilliantly with three straight wins leading off their season and hopes of continuing their record to the end.

Although the weather launched a slightly damp season, the golf team was able to overcome the elements and commence a dazzling exhibition of skill and technique early in the year. Last year's Eastern League champion, Matt Wilson, 'teed off' his season by medaling in 3 out of the first 5 matches in league play. The team hoped they would be 'up to par' in following Matt's lead 'drive' toward the championship.

1. Golf Team members are: LEFT TO RIGHT-**Matt Wilson, Chris Stevens, Tom Rones, Ted Perkins, Tracy Stansberry, Steve Geitz, Coach John Ferguson,** and (not pictured) **Dave Behler.** 2. **Matt Wilson** displays his winning form while practicing his strokes on the course.

Tennis 'Served', Hoped

FRONT ROW: **John Chow, Orlando Echeverria, Todd Bloom, Fernando Serradell.** SECOND ROW: **Frank Pedace, Ricky Barsky, David McGinnis, Dane Chapin, Albert Silva** BACK ROW: **Raymond Lau, Phillip Strahl, Jeff Bosvay, Tuan Le, Roch Greenstone, Steve Stutz, Steve Kennedy, Steve Rosenthal, Jeff Morrison, Craig Homnick,** and **Jeff Harb.**



For 'Ace' Of League

The Colts tennis team promised a respectable, if not magnificent, season. Dane Chapin ranked in the top three in our league at the start of the season. Sophomore Ricky Barsky showed that his talent would be a valuable asset to the squad. With all the skills available to the team this year, they should have no problem proving to be tough competition for the rest of the league.

1. Left-handed singles player **Paul Gooding** stretches to return a high shot.
2. Whoopee!! No. 1 player **Dane Chapin** leaps over the net showing the thrill of victory, after another win.
3. **Ricky Barsky,** an outstanding doubles player, returns his opponents serve. **Todd Bloom** waits for a volley.
4. **Todd Bloom** races across the court just in time to snatch points out of his opponents grasp.
5. **Dane Chapin** soars up to reach a ball as he toys with another opponent during a match.

Girls Basketball Shot

3. Surrounded by opposing team members, **Danna Cook** shoots for two.
4. **Matisse Baker** dribbles down the court in an attempt to set up a shot and gain points for the team.

3

4

for Number 1 in League

1. Members of the junior varsity basketball team are: FRONT ROW- **Kelly Smith, Licha Padilla, Bonnie Anguayan.** 2ND ROW-**Denise Johnson, Andrea Jackson, Vanessa Cuadras, René Narvaez.** 3RD ROW- **Elana Eradakos, Tina Blake, Francine Smith** and **Carla Debose.**
2. **Danna Cook** goes after a jump ball to start off a victorious game against Monte Vista.

The girls' basketball team, who were the Eastern League semi-finalists last year, seem to be well on the way to another league championship and another shot at CIF. They have won all of their league games so far and hopefully, with dedication from the team members, Crawford will soon add another team to their list of CIF champs.

Boy's Track Lined Up For '77 Season

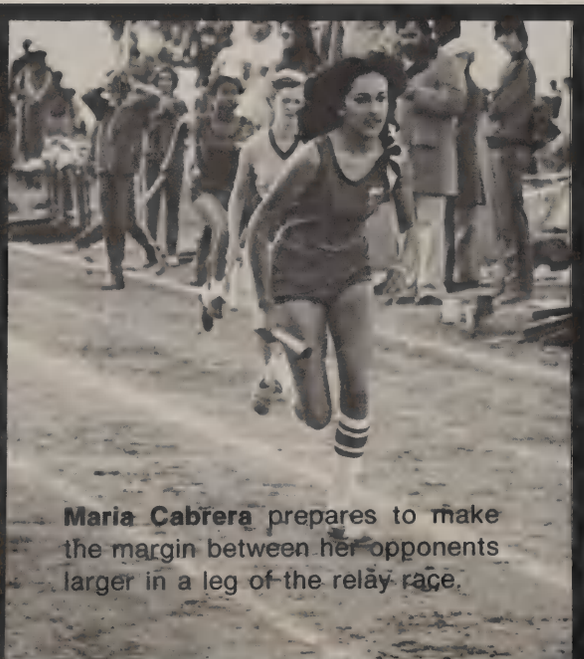
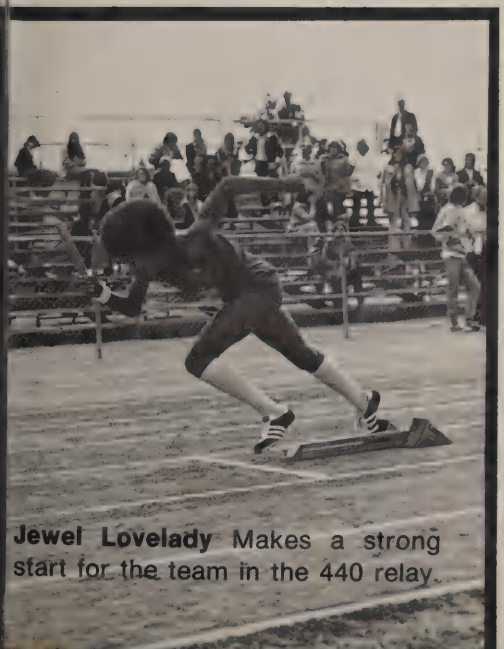
Marian Eastern warms up by running the field before her next track meet.



Maria Cabrera prepares to make the margin between her opponents larger in a leg of the relay race.

Finishing far ahead of the competition, **Angie Flowers** breaks the ribbon in the 440 relay.



Jewel Lovelady Makes a strong start for the team in the 440 relay.

Starting in early December, the girls track team began working out in preparation for the 1977 season. Three coaches and one manager assisted the team during the season. They are Coach Mary Donnelly, Coach Mary Wade, Coach Dave Largent and Manager Rick Arcia. With tremendous effort and strain, Kari Alexander aided her team with her successful hurdle jumping. The goal of the girls track team was not merely to beat the opposing team, but to improve continuously and to set or extend their own records.

Friend - I've known you for a long time and as the year draws to a close I realize just how important you are to me. This is the last year we'll probably be together in the same school and I wanted to make sure that I thanked you for all the help and support that you've given to me. At times we've drifted apart because of differences, but that's part of growing up and I'm glad that our friendship was strong enough to last through those times. It's hard to put down on paper the feelings that I want to tell you. I guess all I really want to say is "Thanks". You are such a special person. Best wishes to you and please keep in touch. Love - Cindy

Laura, Kim, Sara S., Holly, Tom, Kyle, Sara L., Lynda - Thank's ol' buddies. We've had a lot of fun, but this is only the beginning!

Gregg, Mike, Kim, Ven, Byron, Brian - Do we have to say good-bye? We've hardly begun to say hello.

Lori - Third grade seems so long ago, were we really 8 years old once? Ten years of friendship should be able to speak for itself. You're the greatest friend a person could ask for. Remember going to watch the Charger's practice? Remember sixth grade camp, and studying Japan in fourth grade? How about painting our little bubbly whales? It's been so much fun. "Make new friends, but keep the old. For one is silver, the other gold."

Eddie- it's so hard to believe that I'm at a loss for words. I just want to thank you again for all that you've done. You've really helped me to grow as a person. You've taught me a lot that I could only learn from someone who I love as much as you. You've had a great year and I'm very proud of you, but if things should ever go wrong and you need someone, please remember that that I'll always be around. It's nice having you be such a star, but I want you to know that, "You don't have to be a star to be in my show.". T.O.Y.A. I love you, Pookie

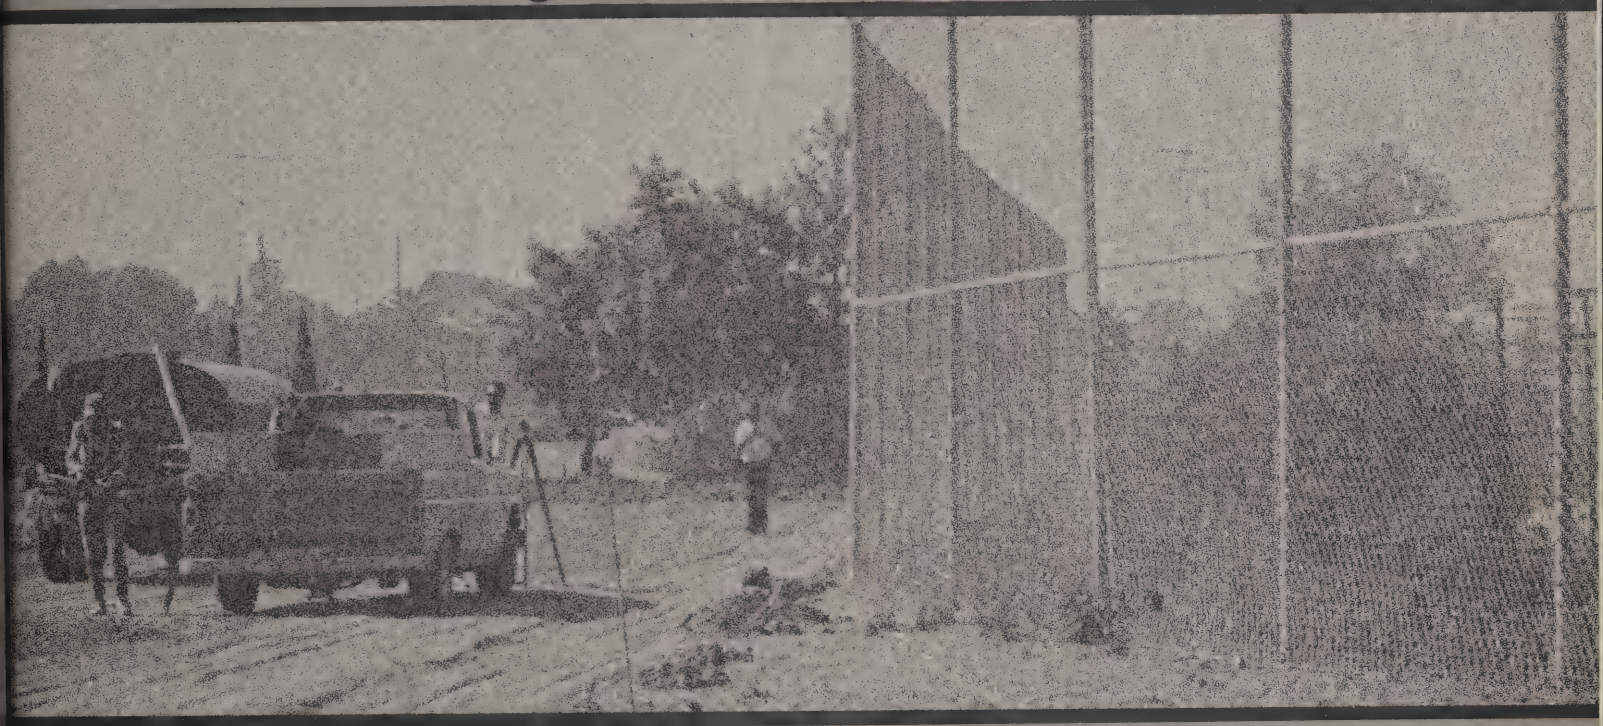
FLORISTS' TRANSWORLD DELIVERY FTD SELECTED MEMBER

Many different faces, looks, personalities, and feelings walked our campus this school year. For some, the end of the year meant the last year of high school. For others, it meant only one or two years left. But to everyone, it meant an accomplishment, a change in their old way of life.

As the years go by, everyone will go his separate ways, things around the school will always change, and so will the people. Yet no matter how much the students who are leaving change, they will take something with them. Maybe they'll remember the 7:45-11:45, lunch, 12:25-2:15 routine or even the cafeteria food. Whatever happens in future years and the countless changes in their lives, a small part of high school life will always remain with them.

Late in Year, Still Many Changes



1. The clock shows a minute before the most popular time of the day.
2. Students seek the shade in the quad during a passing period.
3. The athletics field undergoes a change of face from a baseball field to a joint baseball field and tennis courts.
4. Girls wait for the bell to excuse them from P.E.
5. The passing period provides a time to catch up on the news with friends.

Mark,

well one more year & thats the last time ill have to write in your annual. its kind of hard for me to. cuz im always sending you cards telling you how much I love you. and I guess you'll never really know until were married (if we do.) you have changed me so many times. ~~since~~ since seventh grade. but were gonna keep changing & we think were so old now wait 4 years from now. thats when you can say were getting old. But our memories will always be new to us. we always share our secrets about all the things we've done without each other and at the time its ok. but I wish sometimes I never knew some of those secrets I think thats our problem. I just want to be happy the way I am right now. we can't stay here in the same ole spot arguing over the same things over and over. we have to keep going & know you wish you never knew alot of things I did, and ~~places~~ PLACES I went But I shared them with you cause I didn't have any thing to hide and I want to still be able to share every thing with you. im already out of school So things are going to be different now.
